Extend Single Trip Coverage **Beyond 92 Days**

Itching to travel now that you're retired?

ARTA's Emergency Travel Insurance covers multiple trips of up to 92 days, but as avid travellers know, sometimes that's just not enough! Whether you're planning a bucket list trip, circumnavigating the globe, or migrating to a warmer climate for the winter, Supplementary Travel Insurance may make sense for you.

If you require **more** than the 92-day travel coverage included with your Extended Health benefits plan, you may purchase additional supplemental coverage in **15-day increments** for a single trip lasting up to 212 days.

SUPPLEMENTARY TRAVEL ANNUAL PREMIUM

Additional Days (Total Days)	SINGLE	COUPLE	FAMILY
15 (107)	\$193	\$386	\$427
30 (122)	\$414	\$828	\$924
45 (137)	\$579	\$1,158	\$1,296
60 (152)	\$758	\$1,516	\$1,696
75 (167)	\$951	\$1,902	\$2,123
90 (182)	\$1,158	\$2,316	\$2,564
105 (197)	\$1,380	\$2,760	\$3,020
120 (212)	\$1,617	\$3,234	\$3,490

The cost of Supplementary Travel Insurance is added to your premium payments and paid off in installments over the plan year. If you purchase multiple blocks of time and return early, you may be entitled to a refund for any **unused** 15-day increments.

Supplementary Travel Insurance covers only a single trip. It is possible to purchase Supplementary Travel Insurance for multiple trips in a calendar year – the annual premium would apply for each trip.

How to Purchase Before You Travel

Purchasing prior to departure is easy – contact the **ARTA Member Support Centre** at **1-855-444-ARTA (2782)** and it can be added in advance. You will receive a confirmation package via email.

How to Purchase Once You have Departed

We strongly recommend purchasing Supplementary Travel Insurance before you depart on your trip. That being said, you're retired, and if it's -35°C at home, you may decide that you want to spend a few more days on the beach!

To add Supplementary Travel Insurance after you have departed, contact the **ARTA Member Support Centre** at **1-855-444-ARTA (2782)**.

You may need to provide proof of departure from your province of residence, so ensure you keep a receipt or boarding pass. The ARTA Member Support Centre will contact Allianz Global Assistance to verify that there are no claims on file for your current trip.

Your request to add Supplementary Travel Insurance may be denied if there are current claims on file.

ARTA **cannot** offer Supplementary Travel Insurance extensions received after your base 92-day travel limit has passed.
